

TRACCIA 1- ESTRATTA

DIREZIONE LAVORI -LE SUE FUNZIONI

LIVELLI DI PROGETTAZIONE DI UN'OPERA PUBBLICA ART. 23 DEL D. Lgs 50/2016

Il principio DNSH

The Plan mobilizes over 300 billion euros, the 210 billion coming from EU Next Generation program are complemented by the funds allocated with the 2021-2026 budget planning. The RRP defines a broad and ambitious package of investments and reforms to unleash Italian growth potential, to generate a strong upturn in employment, to improve the quality of work and services for citizens and territorial cohesion and to promote the ecological transition.

TRACCIA 2- NON ESTRATTA

DIREZIONE LAVORI- I DOCUMENTI CONTABILI IN UN'OPERA PUBBLICA – I CONTENUTI

Documentazione richiesta per i vari livelli per la successiva approvazione del progetto

Quali sono le riforme previste dal PNRR?

The RRP defines actions and interventions to overcome the economic and social impact of the pandemic, acting on the country's structural nodes and successfully facing the environmental, technological and social challenges of our time.

TRACCIA 3- NON ESTRATTA

MODIFICA DEI CONTRATTI DURANTE IL PERIODO DI EFFICACIA Art. 106 D. Lgs 50/2016 D. Lgs. 81/2008 – IL COORDINATORE DELLA SICUREZZA IN FASE DI PROGETTAZIONE

Quali sono i tempi di attuazione del PNRR?

Next Generation EU is a great opportunity for Europe and Italy as well. The Italian Recovery and Resilience Plan translates this opportunity into action. With the RRP and its reforms Italy is going to be a fairer, greener and more inclusive country, with a more competitive, dynamic and innovative economy.
