

Tracce prova orale

TRACCIA 1 – NON ESTRATTA

- 1) Gli assi strategici del PNRR
- 2) La determinazione a contrarre negli enti locali: competenza all'adozione, natura e struttura del provvedimento
- 3) Il rendiconto di gestione: iter per l'approvazione

PROVA DI INGLESE

In a little country village, it isn't a good idea to use email in an emergency. 'Imagine there's a fire,' said one man. 'You can't email the fire station and hope that they read it. You need to phone them!'

TRACCIA 2 – NON ESTRATTA

- 1) Cosa si intende per PNRR?
- 2) Efficacia dell'aggiudicazione di un appalto.
- 3) Il bilancio di previsione: iter per l'approvazione

PROVA DI INGLESE

Big brothers and sisters

A big brother or sister is an advantage at school. According to research, when your big brother or sister does well at school, you do well too.

They can also give you important information about your school and your teachers. The research shows that a big brother or sister can bring you an extra 4% in your exams! (And for children from poor families, it's 11%)

TRACCIA 3 – NON ESTRATTA

- 1) Le riforme previste per il PNRR
- 2) Le procedure di scelta del contraente
- 3) In caso di debito contratto in assenza di previa assunzione di impegno di spesa, chi risponde dell'obbligazione passiva?

PROVA DI INGLESE

A South Korea TV Show

Watching people eat is a popular online activity in South Korea. You can also watch on a special TV channel. About 3,500 South Koreans take part in it and a small number of them are famous. For example, Park Seo-yeon is well known online as "TheDiva". She earns \$9,000 a month from her viewers and it is now her full-time job.

But why do the viewers pay? Park Seo-yeon believes that health is the main reason. People love dishes with lots of fat and sugar, but they don't want to eat them, so they ask her to eat them – and they watch!

TRACCIA 4 – NON ESTRATTA

- 1) Il monitoraggio del PNRR
- 2) Il responsabile del procedimento ai sensi della Legge 241/1990
- 3) Il piano esecutivo di gestione

PROVA DI INGLESE

Problems of communication

The UK is not a big country, and it certainly is not a poor country. So you probably think communications are very good and everybody can use the internet and mobile phones. But this is not true. In some remote parts of the country, communications are very bad.

TRACCIA 5 - ESTRATTA

- 1) Il principio DNSH
- 2) Nullità e annullabilità dell'atto amministrativo
- 3) L'organo di revisione nell'ente locale

PROVA DI INGLESE

A very strange job

Lee Chang-hyun lives in Seoul, the capital of South Korea, and he has a very unusual job. He starts work at midnight. He sits in front of his computer, connects to the internet, and starts to eat. He doesn't eat quietly – he makes lots of noise! While he eats, people can watch a live video of his meal online. And every day, about 10,000 people watch him. These viewers send messages to him. The messages appear on his computer and he answers them while he's eating. And all the time, he is earning money.

TRACCIA 6 – NON ESTRATTA

- 1) I tempi di attuazione del PNRR
- 2) I pareri di regolarità tecnica e contabile nelle deliberazioni degli organi collegiali degli Enti Locali
- 3) Le variazioni di bilancio: cosa sono e qual è l'organo competente per l'adozione

PROVA DI INGLESE

Swimming towards a medal

Dara Torres was born in Los Angeles in the USA. She was part of a large family, with four older brothers and a younger sister. At school her best sport was swimming.

At the 1984 Olympic Games in Los Angeles, Dara was part of the American team and she won a gold medal in the relay. She also competed at the Olympics in 1988, when she won two medals, and 1992, when she won one gold medal. After a break of seven years without competitions, Dara won five medals at the 2000 Games in Sydney, including two gold. And amazingly, she competed again in Beijing in 2008. She won three silver medals at those games. In total, Dara won twelve Olympic medals, including four gold medals.

TRACCIA 7 - ESTRATTA

- 1) I beneficiari del PNRR
- 2) Il preavviso di rigetto
- 3) Il principio della competenza finanziaria potenziata

PROVA DI INGLESE

Telephones in a small village

Staylittle is a village in the centre of Wales. In 1965, a journalist wrote about the village in a newspaper. He said, 'it is miles from anywhere'. That was a long time ago, but communications in the village have not changed very much. You cannot use a mobile phone in Staylittle because there is no signal. There are also problems with the telephone lines.

TRACCIA 8 – NON ESTRATTA

- 1) Il sistema REGIS
- 2) Programma biennale degli acquisti di beni e servizi e programmazione dei lavori pubblici
- 3) Le fasi della spesa

PROVA DI INGLESE

Loneliness and TV

A lot of South Koreans live alone. When you eat dinner alone every evening, it's easy to feel sad. But with a TV show called "*mukbang*", you can eat with others.

It is a kind of online dinner party. And when you visit the website often, it is almost like visiting friends.

At the moment *mukbang* is only popular in South Korea, not in other countries. But perhaps it just needs some time...

TRACCIA 9 - ESTRATTA

- 1) PNRR: le opportunità per gli Enti Locali
- 2) La concessione di vantaggi economici (contributi) nella PA
- 3) Le fasi dell'entrata

PROVA DI INGLESE

Phones and internet in the country

The British government is spending money to improve internet connections in remote parts of the country. For this reason, most of the people in Blackwood hope that communications will get better soon. A few days ago, there was a bad storm in the area. Because of this, most of the telephone lines to Blackwood have stopped working completely. Now the village has only got one telephone, in the post office.

TRACCIA 10 - ESTRATTA

- 1) Chi sono i soggetti attuatori del PNRR?
- 2) Le competenze dei dirigenti
- 3) Le fonti di finanziamento nell'ente locale

PROVA DI INGLESE

An ice skating champion

Bonnie Blair was born in 1964 in New York, USA, and learned to ice skate when she was only two years old. Her whole family loved speed skating but Bonnie was the most talented. In 1984, Bonnie competed in the Winter Olympics in Sarajevo, but she didn't win any medals. Four years later, however, she won gold in the 500 metres, and in 1992 she won gold medals in the 500 and 1,000 metres. Because of a change in the rules, the next Winter Olympics took place after only two years, in 1994. Bonnie won gold medals in the same two events. She retired from skating in 1995.
